The Grapevine/Colleyville Aquatics Booster Club pays for **banquet** for the athletes, **snacks** at all meets, **senior night**, **senior scholarships**, and more. This year, we also plan to implement a **NEW livestreaming** platform that will allow parents, friends and family members to watch the meets from anywhere. Please consider making an additional donation to help us cover these important costs!

Membership is required to apply for scholarships for your student-athlete. Deadline to join is February 28, 2022.

## SPRINT PENTATHLON

The Sprint Pentathlon is the biggest fundraiser of the year. All parents will be asked to donate either food for the concession stand or money to be put toward concession stand foods. The majority of the athletes also purchase the Pentathlon t-shirt. These shirts are sold to both Grapevine/Colleyville athletes and athletes from other schools, so they often sell out. Pre-order to make sure you get one!
